

LEADERSHIP RECERTIFICATION: GIVE YOURSELF CREDIT

WHAT'S IT ALL ABOUT?

The Lifesaving Society's Leadership Recertification Credit System applies to all of the Society's Instructors and Examiners. The system is designed to recognize individual needs and interests by encouraging instructors to learn and improve through continuing education and professional development.

For office use - date card(s) issued:			

The Credit Card has been designed to accommodate the recertification of any or all Lifesaving Society Instructor and their respective Examiner certifications: Swim Instructor, Lifesaving Instructor, Emergency First Aid Instructor, Boat Rescue Instructor, Standard First Aid Instructor, Airway Management Instructor, CPR-HCP Instructor, National Lifeguard Instructor, Patrol Rider Instructor, and Aquatic Supervisor Instructor.

Credit Cards are given to new Instructors on their original Instructor course, and are mailed to all Instructors and Examiners when they recertify. Blank Credit Cards are available from Affiliates, Instructor Trainers, Area Chairs and the Branch office. These cards are validated by the person teaching or evaluating the course or training program. Credit Cards are valid only when signed and dated in this manner. If lost, replacements are easy to come by. But if a validated credit card is lost, it is your responsibility to have a replacement re-validated.

LIFEGUARDING STATUS

Although it is not required, the Lifesaving Society recommends that all Instructors hold and maintain current lifeguarding status as defined by the Ministry of Health.

HOW DO I PARTICIPATE?

1 At your convenience, over the two-year recertification period, accumulate three credits by participating in your choice of courses, clinics, and training programs. Credits may be selected either directly from the Credit List, or by having a specific course assigned credit value by the Lifesaving Society.

Lifesaving, Emergency First Aid, Swim Instructors, Officials and Coaches may select their credits from any course contained on the Credit List. Aquatic Supervisor, Boat Rescue, Standard First Aid, CPR-HCP, Airway Management and National Lifeguard Instructors must select their credits from only those courses marked with an asterisk (*). Examiners must select at least one credit from those item marked with a (✓). Instructor Trainers must have taught an Instructor course.

2 Make sure your credit card is validated (signed and dated) and send it to the Branch office with your recertification fee. If you recertify more than one Instructor certification (e.g. Lifesaving Instructor, National Lifeguard Instructor and Standard First Aid Instructor) at the same time, you pay the base fee (\$27.00 in 2016) plus an additional fee (\$7.35 in 2016) for each additional Instructor award you wish to recertify to a maximum fee of \$50.00. If you choose to recertify these certifications at various times during the year, you must pay the base fee for each recertification. Examiners recertifying their Lifesaving Society Instructor certification at the same time will be reappointed as an Examiner at no charge. Those Examiners wishing to renew their Examiners appointment separately, will be charged a fee of \$27.00

3 You will receive your new Instructor card(s), valid for another two years, along with a blank Credit Card.

CAN I SAVE EXTRA CREDITS FOR NEXT TIME?

No. Credits are valid for a two-year period only. If, for example, you take your National Lifeguard award on August 23, 2016, you must collect your other credits by August 23, 2018. Otherwise, the credit from the National Lifeguard award will have expired and you would be obliged to get another current credit.

NOT ON THE LIST? APPLY

If the course you want or the training you are taking will better prepare you to teach and/or is technically related to the Lifesaving Society program, send in a completed Application for Course Credit Rating. This application can be obtained from www.lifesavingsociety.com or the Branch office.

We need the starting and finishing dates, the teachers' names, and information on the content. In assigning a credit value, we will want to know that the course also has a recording mechanism (master sheet, test sheet, etc.) which lists names, addresses and phone numbers of participants.

The credit system has been designed to recognize the dedication of the Society's many volunteers whose efforts and contributions meet the criteria for credit and are of equal value to those listed on the credit list. These Instructors are encouraged to make application for a credit rating, detailing the volunteer services they have performed during their two year recertification period.

LIFESAVING SOCIETY

The Lifeguarding Experts

400 Consumers Road
Toronto, Ontario M2J 1P8

Tel: 416 490 8844 Fax: 416 490 8766
Web: www.lifesavingsociety.com Email: experts@lifeguarding.com

The Society has assigned a credit value to the courses below. The credit value and status of these courses may change as modifications are made by the organizations responsible. Because of this, and because new training programs are continually being introduced, the credit list is updated from time to time. Courses and training programs which do not appear on this list may also be eligible for a credit value. In-service and pre-season training offered by employers are often given credits. For further information, see "Not On The List? Apply" on the reverse side of this page.

Lifesaving, Emergency First Aid and Swim Instructors, Coach and Lifesaving sport officials may select their three credits from any of the courses listed below. Instructors of all other programs must collect their three credits from only those courses marked with an asterisk*. Examiners must select at least one credit from those items marked with a checkmark. Instructor Trainers must have taught an Instructor course. Note: Each item or recertification of each item may be applied only once every two years. Recertification of any item listed below is worth one credit.

SECTION A: 1 CREDIT EACH
