The Society designates the third week in July as National Drowning Prevention Week (NDPW) to focus community and media attention on the drowning problem and drowning prevention. The specific dates are featured in the NDPW logo and updated each year.

**Use of the NDPW logo**

Lifesaving Society Affiliate Members and organizations hosting, planning or participating in NDPW events may use the NDPW logo on their websites or promotional materials.

Symbols become meaningful through frequent and consistent usage. Consistency is crucial: please follow these rules whenever you use the NDPW logo:

**On a white or light-coloured background**

Depending on the specifics of your application(s) and budget:

1st choice: use the colour logo

2nd choice: black & white logo

**On a dark background**

Always

- Use all the elements of the logo.
- Leave “white” space around the perimeter of the logo. Avoid crowding the logo with other logos or copy or the edges of paper or screen.
Never

- Alter the logo in any way (e.g., change the font; delete the Lifesaving Society name; add additional elements; change the dates; use any other colours or switch the colours around; try to incorporate the Society’s corporate logo or any other logos).
- Reproduce the logo in a size so small that the Society’s named is obscured.
- Resize the logo disproportionately.
