

## Lifejacket Clinic Action Steps

---

1. Display posters around your facility with the clinic's date and time
2. Collect different sizes and types of lifejackets and PFDs
  - You may want to contact a local Canadian Tire or sporting goods store who may want to sell or lend some lifejackets for the event
  - You may be able to time an in store special to coincide with the clinic
  - You may be able to get coupons from local stores for new lifejackets/PFDs
3. Run a clinic
  - Establish 2-3 enthusiastic staff to run the clinic
  - Post information posters
  - Make copies of the information sheets (Child/Adult/Lifejacket vs PFD)
  - Set up a Cold Water Immersion Activity Station (see Activity Sheet)
  - Display an assortment of lifejackets/PFD's
  - Have participants try on different sizes/styles of lifejackets/PFD's

Thank you for your support of our Water Smart campaign!

Drowning is preventable.
