

A "BOB" STORY

Every time you say the word "bob" your swimmers dunk under the water - or put part of their face in.

Hi! My name is Bob.

One day I went to the zoo with my Uncle Bobert

We had so much fun!

My Uncle Bobert has a friend that works at the zoo, his name is Zookeeper Bobby.

Guess what animal Bobby let us visit?!

The Bobcats!

When we got home form the zoo my Aunt Bobara made us lunch.

It was a Bob-a-que!

We had shish kabobs, Corn on the bob, and bobsicles for dessert.

What a bob-a-riffic day!
