THE UNIVERSITY OF WESTERN ONTARIO GUEST CODE OF CONDUCT

Each team member must read and abide by the following Guest Code of Conduct. *The University of Western Ontario and Conference Services seek to provide each guest with a supportive and enjoyable environment which will allow for the best possible conditions for everyone. Certain standards of behaviour are expected from the guests. This Code of Conduct reflects the *minimum expectations* of each and everyone. This Code of Conduct is based on the principle of mutual respect. We must understand and recognize that others will differ from us, but that all deserve respect as individuals and for their privacy. Our treatment of others (*and the building*) must reflect the respect that we would want shown to ourselves and our personal property. Negative or disruptive actions have consequences and when a guest or a group act in a way that disrupts others in a manner that compromises others safety and enjoyment, some action should be considered.*

QUIET HOURS: To minimize the disturbance to the other guests, quiet hours are between 11:00 p.m. and 8:00 a.m. Stereos are not to be played at an unreasonable level at any hour. Conference Services reserves the right to remove stereos if necessary. Noise levels of any kind should never rise to the point that it is audible in neighbouring rooms, in the corridors, or in the common areas of the building.

DRUGS: The use of illegal drugs will not be tolerated. Using drugs in the building will cause immediate expulsion from the residence and potential criminal charges.

ALCOHOL: In compliance with the Liquor Licence Act and the Campus Alcohol Policy, under no circumstances will there be any alcohol consumption in public areas (*including lounges and hallways*). Alcohol consumption is permitted in the privacy of the units and by persons of legal drinking age only.

SMOKING: Residences and all other campus buildings are smoke-free. Smoking is only permitted in smoking shelters or clearly designated areas outside campus buildings.

CLEANLINESS: Each guest is responsible for the cleanliness of the building, their unit and their bedroom. Guests are expected to keep the kitchenette area and bathroom clean after each use. This includes keeping the refrigerator and microwave clean after each use. Upon departure, guests are responsible for removing ALL personal food items from the kitchen area.

DAMAGES: Each guest is solely responsible for any damages and loss of University property caused by his/her actions or neglect. Furniture and other items must not be removed from the units and are to remain intact at all times.

KEYS: Guests are responsible for returning the key card (that was signed over to them upon check-in) to the Front Desk upon check out.

MINI COMPUTER LAB: Each participant wishing to use the residence E-mail lab (located on the 2nd floor) will be limited to 10 minutes per use during peak times. Participants will be courteous of other users at all times. The E-mail lab is accessible on a daily basis.

FIRE: Each guest is responsible for being well-versed in the proper emergency escape route in case of a fire alarm. All guests are expected to evacuate the building in a timely manner should there be a fire alarm. Tampering with fire and emergency equipment will not only result in immediate expulsion from Perth Hall but will also result in criminal charges laid by the City of London.

PETS: Pets are not permitted in the building with the exception of service animals.

OTHER: Cleats, rollerblades and scooters are not permitted in the halls and common areas of the building. Shoes and shirts must be worn at all times when in the halls.
