Hokey pokey

You put your arms in
You take your arms out
You put your arms in
And you splash 'em all about
You do the hokey pokey and you turn yourself around
That's what it's all about!

You put your legs in
You take your legs out
You put your legs in
And you kick 'em all about
You do the hokey pokey and you turn yourself around

That's what it's all about!
You put your face in
You take your face out
You put your face in
And blow bubbles all about
You do the hokey pokey and you turn yourself around
That's what it's all about!

You put your whole self in
You take your whole self out
You put your whole self in
And you splash it all about
You do the hokey pokey and you turn yourself around
That's what it's all about!
