Online Swim Instructor Credit Session

November 1, 2021

The Lifesaving Society recognizes that during the ongoing restrictions and limitations caused by Covid-19, instructors may be experiencing challenges in finding opportunities to earn credits to recertify their Lifesaving Society Instructor certifications. In response, we have developed an **Online Swim Instructor Credit Session**.

Online Swim Instructor Credit Session

Certification fee: \$0

Instruction and evaluation: Current Swim Instructor Trainers

Credits towards recertification: 1 credit

Instructional format: This session may be delivered online or in person.

Instructional time: Actual time may vary depending on the session format, number of candidates and the learning activities selected.

Swim Instructor Credit Session	Online or Classroom	Water
Total Time: 2 hours	2 hours	0
Plus, mandatory pre-session assignment		

Administration: Master sheets are completed for this course, indicating in the **OTHER** section at the top of the sheet: Online Swim Instructor Credit Session.

Trainer materials: Swim Instructor Trainers access required materials through the Lifesaving Society Leadership Library.

Candidate materials: Candidates participating in the Online Swim Instructor Credit Session must have the following Lifesaving Society resources for use throughout the session:

- *Teaching Swim for Life*
- *Instructor Manual*
- *Swim for Life Award Guide*
