

## **Lifesaving Society Aquatic Management Instructor Candidate Self-Assessment**

This self-assessment presents the learning outcomes that instructor candidates must achieve in order to pass the Lifesaving Society Aquatic Management Instructor Course.

### **Pre-course**

Review the learning outcomes and assess yourself on each learning outcome on a scale from 1 to 3:

- 1 – You need more knowledge or practice to achieve this learning outcome.
- 2 – You are reasonably confident about your ability in this learning outcome.
- 3 – You have mastered this learning outcome.

Before the course, send your completed self-assessment to the Trainer. Bring your copy to the course.

### **On course**

You and the Trainer will use this self-assessment to track your growth and development on learning outcomes throughout the course. It might be helpful to think of the learning outcomes as personal learning goals.

### **End of course**

Ideally, by the end of the Aquatic Management Instructor course, you and the Trainer will agree that you have achieved all learning outcomes.
